

A program that matters to our Lake Country Communities: Scholarships for Careers in Music

The Oconomowoc Community Choir, Inc. is a local non-profit organization, registered under IRS Code 501(c)(3). The Choir is not supported financially by the city or town of Oconomowoc. The Choir's Mission is to promote harmony through the joy of singing, sharing of song, and the presentation of scholarships to area young people seeking careers in music. Since 1996 the Oconomowoc Community Choir has been raising money for talented young people in the Lake Country Area to help achieve their dreams of pursuing a career in music. An endowment in the memory of Rod Rahn, a former director of the OCC, was the seed money that started the cause.

Why Donate?

Today, more than ever, the Arts need our support. Budgetary cuts are always on our horizon to curtail support of music programs. We need talented and truly dedicated young people to fill the needs, whatever shape they may take in our future, to assure a community that is blessed with the sound of music. We think that offering financial support to these youth, so that they may accomplish their career path in music, is a legacy for music in our community.

Our scholarship money comes from people and businesses, just like you!

Your positive response made it possible for us to award \$5,000 this year to some very deserving young musicians who are on their way to realizing their careers in Music.
